AMEND Senate Bill No. 2633*

House Bill No. 3294

by deleting the language in subdivision (1) of SECTION 2 of the printed bill and substituting instead the following:

(1) Improvement and expansion of the provision of medical assistance, medical services, adult emergency dental services and pharmacy, in the county health departments, both metro and rural, with specific emphasis placed in providing assistance in those counties with the largest number of uninsured individuals; such support could include funding for additional staffing needs and facility expansion, as well as referral of adult emergency dental cases to private practicing dentists reimbursed at the current TennCare dental fee schedule when services are not available through a county health department.
